

Besides the supporting documents which are basic requirements listed at business, tourism or visit visas, here is a non-exhaustive list of further supporting documents for different kinds of travel purposes:

- In the case of an entry with an **educational or other scientific or professional training** purpose: the certificate of the receiving institution, the certificate of the envisaged place of accommodation in Hungary
- letter of invitation in the form of a public notarial document and a photocopy of the personal identification document/passport of the inviting party in Hungary
- In the case of an entry with the purpose of **medical treatment**: the certificate of the receiving health institution, including reference to the fact that the expected financial coverage of the medical treatment is available, any other proof of the necessary medical treatment, as well as the certification of the address of the expected place of accommodation in Hungary
- For the purpose of **visiting the grave of a deceased relative buried in Hungary**: a document certifying the existence of the grave and the degree of relationship
- For the purpose of **cultural activities**: agency contract with the Hungarian service provider, invitation letter issued by the host organization
- For the purpose of **sports**: accreditation proving participation in a sports event or contract with a Hungarian sports club, or a certificate issued by the delegating sports club / Olympic committee / Ministry of Sports, etc.
- For the purpose of **attending a conference**: invitation letter issued by the host organization, confirmation of participation issued by the host organization, and/or a certification issued by the delegating organization; receipt of payment of the registration fee

**Attention!** The above mentioned enumeration of supporting documents is a non-exhaustive list. The list of the supporting documents is defined by the consul following the local conditions and circumstances.
